Dear Ministry Partner,

The academic-year began on July 15th and currently **380 students are enrolled at the Bible College**. The Lord has blessed us with a good group of students ready to study the Word of God and become His servants. Please pray for the students as they settle into Bangalore and seek to do the Lord's will. The college will conduct its 50th graduation in March of 2011. We can truly say, "*Great is Thy faithfulness, Lord unto me!*"

A two-year **Bible study program for Bangalore professionals** has been started. The classes are going well and there has been great interest in the program which meets on Saturdays. Pray God will lead many professionals to this program and they will in turn carry the Gospel to their worksites and communities.

The **dining hall project is progressing well and is now 75% completed**. Pray the needed funds will be supplied for the completion of the building.

The college was faced with an unexpected tax from the state government. A **\$20,000.00 tax was levied** on the campus buildings and water/sewer system. Please pray the Lord will help to meet this need.

The children's school & home in Manipur State was greatly damaged by floods in June

The kitchen was destroyed and some of the property was washed away by flood waters. We thank God that He protected the children and staff during the flood. The flood waters have receded now, but reconstruction of the kitchen is needed as well as a strong retaining wall/river embankment to protect against such a great flood again. Pray the Lord would provide \$4000.00 for this construction need.

Three new churches have been started in the state of Karnataka by converts from the prison ministry. The men were granted early release from prison due to their good behavior. It is a blessing to see the Lord raise-up men from the jail ministry to spread the Gospel of the Lord Jesus Christ in areas very resistant to the Gospel. Please keep these churches in your prayers.

Thank you for your faithful prayers and support for the Lord's ministry in India. Your ministries are remembered in our prayers and we count it a privilege to labor together for the cause of Christ.

"Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." 1 Cor 15:58

God bless you,
